

e-learning

Digital Detox

Digitalization has completely transformed our entire lives. It has many positive aspects, but also negative consequences such as stress and poor concentration. In this e-learning you will analyse the causes of digital stress and get tips on how to deal with the effects of being constantly available. Furthermore you will get to know and try out several different ways to find your way back to relaxation. In addition, our Digital Detox Emergency Kit will enable you to recognise digital stress, and provide you with the tools to do something about it right away.

Booking Number: **34262**
