Structured and Effective Facilitation

Moderator – a trainer in the business circus? Moderating comes from moderat = moderate, and so the moderator must not only lead discussions and visualize content, but also ensure that all group participants adhere to the rules of the game. To avoid breaking into a sweat before you enter the „lion's den“, prepare yourself with this eLearning. Learn how to lead a workshop with confidence using various moderation techniques and also how to master any difficult situations that may arise within the group.
